In re Application of :  
Simon Robert Walmsley :  
Application No. 10/754,938 : DECISION ON PETITION  
Filed: January 12, 2004 :  
Attorney Docket No. PEA26US :

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed July 3, 2008, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to timely file a reply within the meaning of 37 CFR 1.113 to the Final Rejection of September 26, 2007. The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2), an amendment that *prima facie* places the application in condition for allowance, a Request for Continued Examination and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(III)(A)(2). A one month extensions of time pursuant to the provisions of 37 CFR 1.136(a) was obtained. Accordingly, the date of abandonment of this application is January 27, 2008.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE) and fee of \$810, and the submission required by 37 CFR 1.114; (2) the petition fee of \$1540; and (3) a proper statement of unintentional delay.

Telephone inquiries concerning this decision should be directed to Denise Williams at (571) 272-8930.

This application is being referred to Technology Center AU 2132 for processing of the RCE and for appropriate action by the Examiner in the normal course of business on the previously filed amendment submitted in accordance with 37 CFR 1.114.
